INNOV8 CREATIONS

BRAND IDENTITY & TONE OF VOICE

Manual v1.0 • The National Partner

01

VISION & CORE DNA

Innov8 Creations is more than a design agency; it is a national partner for growth. Our identity balances the stability of a traditional institution with the kinetic energy of modern digital marketing.

"NATIONAL REACH, LOCAL DEDICATION."

We proudly serve all 50 states with result-driven innovation rooted in American excellence.

THE "8" ARROW

Represents "Result-Driven" progress and the upward trajectory of our clients' growth.

THE HORIZON LINES

Represent the expansive horizon and our comprehensive reach across the entire national market.

02

TONE OF VOICE

Our voice reflects a **"National Partner"** persona. We engineer high-performance brand identities, maintaining an expert yet accessible posture.

PROUD Confident in our results and our American heritage.

Avoid: Being arrogant or exclusionary.

PRO Precise, clear, and data-backed. Use industry-standard terminology.

Avoid: Slang or overly casual "tech-bro" talk.

DRIVEN Steady, responsive, and consistent. Action-oriented focus on results.

Avoid: Making empty promises, vague claims, or focusing only on "Aesthetics".

WRITING STYLE CHECK

"We engineer high-performance brand identities for businesses across all 50 states, ensuring your brand stands out in the national market."

03

LOGO ARCHITECTURE

The logo system is designed to be "Vector-First," meaning it must be mathematically precise and legible in a single color.

Clear Space Rule:

Maintain a safety zone around the logo equal to the width of the letter 'I'.

04

USAGE PROHIBITIONS

DO

INNOV8 CREATIONS

Use the correct primary stacked arrangement.

DON'T

INNOV8 CREATIONS

Do not stretch or distort the logo proportions.

DON'T

INNOV8 CREATIONS

Do not change the colors of the arrow cutout.

DON'T

INNOV8 CREATIONS

Do not remove the horizon divider lines.

05

THE POWER OF THREE

A restricted 3-color system to ensure high-impact, modern utility across all national campaigns.

TRUST NAVY

Represents trust, stability, and professional reliability. Primary text and base logo color.

HEX:

#0A1F44

RGB:

10, 31, 68

CMYK:

100, 85, 30, 60

ACTION RED

Represents the USA, energy, and growth. Used for accents, the "8", and CTA buttons.

HEX:

#FF2D2D

RGB:

255, 45, 45

CMYK:

0, 95, 95, 0

DIGITAL CYAN

Represents technology, innovation, and digital precision. Used strictly as a highlight.

HEX:

#00B4FF

RGB:

0, 180, 255

CMYK:

70, 15, 0, 0

06

TYPOGRAPHY

Our typographic system utilizes fluid mathematical scaling (Perfect Fourth Ratio) to ensure visual hierarchy remains consistent across all national deployments.

Primary Principle:

High contrast & modern utility. If it doesn't add value, remove it.
